Dear Sir,

LETTER OF APOLOGY

I write to tender my sincere and unreserved apology to your client, Mr. Samuel Chukwu, regarding the publication I made on my Facebook page in which I falsely alleged that he was responsible for beating his pregnant wife to death.

I now recognize that the publication was completely false, baseless, and unverified. I deeply regret that my actions caused your client embarrassment, harassment, and damage to his reputation.

As part of my sincere efforts to make amends, I have removed the post from my Facebook page.

Once again, I express my sincere apologies to Mr. Samuel Chukwu and his family for the pain and inconvenience my actions have caused.

Thank you for your understanding.

Yours faithfully,
Comrade Alozie Munachim Prince
